MRS.DICK

Mrs.Dick has been here for 20 years now, but shes been teaching for 30. She taught at neah-kah-nie for 10 years before she came here. We hate to see her leave us now, but don't worry she's going to visit. After she retires she's going to enjoy sleeping in, exercising a little later everyday and she's going to be sure to check up on us. I went and interviewed her and asked her a few questions.

What's the hardest thing you have done?

"It would have to be seeing students failing."

What will you miss the most?

"I'm going to miss the Students and coaching volleyball."

What wont you miss?

"All the sleepless nights."

What's the most memorable moment you have?

"Seeing all the success and Giving student nickname and them still having them years later."

Who was the Worst student?

"Dallas Moses."

Who was the best student?

"All of them."

What was your favorite thing about working at this school?

"The fact that it's a small school."

Anything else that you want to add?

"I have appreciated the time I have had her and I enjoyed all the parents and students and I'm going to miss you all."

Mrs.Dick is an Amazing woman..

-One who gives everyone nicknames that stay with them forever

-One who reaches out to students who might get left behind

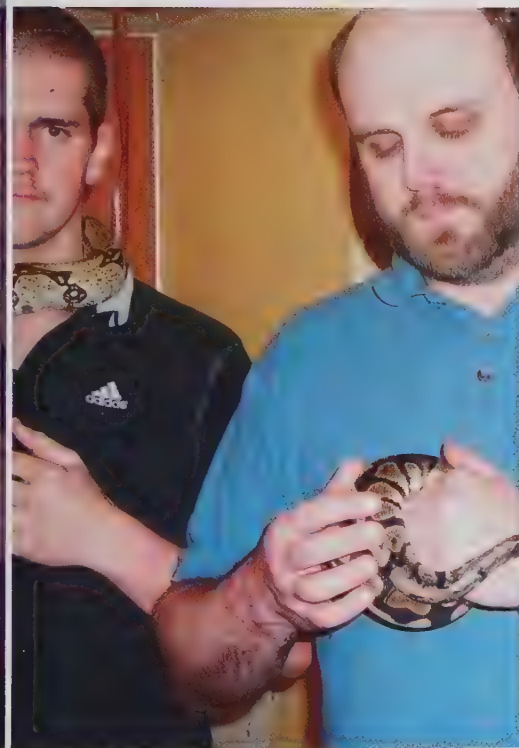

-She encourages us all to stay in shape with her awesome P.E. classes

Mrs.Dick has helped many people and has always expressed great concern about struggling students. She is going to be missed greatly by everyone. But always remembered as one awesome teacher who has made many impacts in students lifes.

LEADERSHIP

Leadership's main goal is to enhance school/community involment. They hosted things like Cabin Fever Reliever week, Pie In The Face, Penny Drive's, a Pancake Feed and they're the ones that put the pretty posters on the lockers. Each Semester the students had to volunteer some time for community service, helping the kids get involved with things they wouldnt normally do. All-In-All Leadership has had a huge impact on our school.

Outlook of the Season

The Warrenton Football Team had a great year. Over the course of about three months, the Warriors went through trial victories and yes a couple of grueling losses. They went through rain and shine but they stayed together as a team. The Warrenton Warriors endured three months of conditioning, games, and practices to get to one goal to be state champions. The Warrenton Warrior's tremendous season finally came to an end with a 9-3 record. On the road to their goal the warriors lost a couple of key players, but they stuck together. The Warrenton Warriors did not accomplish there goal, but they made it to the 3rd round of the state playoffs, which was farther than anyone expected.

Warriors finished as co-champions in league tied with Knappa, but ended up beating them in the district championship game, earning them first seed in the state tournament. They went on to beat Hepner 10-0 in the first round. They finished their season at the state quarter finals, losing to Salem Academy, 3-1.

Baseball

THIS YEAR'S SOFTBALL TEAM WAS WHAT YOU MIGHT CALL THE UNDERDOG. THE TEAM HAD A LOT OF YOUNGER PLAYERS THAT HADN'T REALLY PLAYED AT THE VARSITY LEVEL, BUT TO A LOT OF PEOPLE SURPRISE, THEY ACTUALLY HAD A PRETTY GOOD SEASON. DEFENSIVELY, THEY WERE PRETTY WELL OFF. OFFENSIVELY, THEY HAD A FEW PROBLEMS BUT WERE ABLE TO HIT WELL ENOUGH TO WIN MOST OF THEIR LEAGUE GAMES.

got game?

Varsity Softball

THIS SEASON, THERE WAS ONLY ONE RETURNING VARSITY PLAYER THAT PLAYED THE SAME POSITION AS LAST SEASON. THAT WAS WHITNEY JOHNSON, PLAYING CENTER FIELD. THE INFIELD WAS MADE UP OF SENIOR ELISE BALENSIFER, AS PITCHER, AND PAM WOOD, AS THE CATCHER. SENIOR LATASHA JONES, WHO WAS UNABLE TO FINISH HER SEASON LAST YEAR DUE TO A BROKEN ANKLE, RETURNED THIS YEAR AND STARTED AT 3RD BASE. THE STARTING 2ND BASEMAN FOR LAST SEASON SARAH KELLEY SWITCHED AROUND AND STARTED AT SHORT STOP. FOR HER FIRST YEAR OF PLAYING AT THE VARSITY LEVEL, KEIRA HOLTHUSEN STARTED AT 2ND BASE. TRISTA ANDERSON WAS THE FIRST BASEMAN OF THE TEAM. FOR THE OUTFIELD, KATIE WOLFE PLAYED MAINLY LEFT AND PAM WILKINS STARTED AT RIGHT. MOST OF THE TEAM HADN'T REALLY PLAYED TOGETHER AT THIS LEVEL, BUT IN THE END THEY REALLY GOT IT TOGETHER AND WERE A STRONG TEAM.

Elise Balensifer Senior
"At first I thought the season was going to be shaky but all in all we ended better than expected. Thank You Ladies for a great season."

Pam Wood Junior
"Pam really stepped it up as catcher this season nothing hardly ever got by her she did fantastic!"

Trista Anderson Junior
"I underestimated the team in the beginning, but after playing I've realized we have a really good team and can go far into the season."

Keira Holthusen Junior
"I was really surprised with how well our team actually was this season. We were young and everyone didn't really know what to expect but in the end we pulled together and played well."

Sarah Kelley Junior
"We've pulled together as a team and played better than I thought, and the younger girls really stepped up!"

Latasha Jones Senior
"Tasha was only of our only seniors and she did great this was her first time playing infield through highschool and she did an awesome job! We'll miss you Tash!"

Whitney Johnson Junior
"Whitney was our Center Fielder again, and Whitney was awesome she had the best fielding average on the team with only one error all season."
